REPORT OF SCHOOL BOARD.

To the Citizens of Bow:

The aim of your school board during the past year has been to keep the standard of instruction as high as possible, with the material at hand, and to obtain the best teachers we could find; the larger number have been experienced teachers, and have obtained as satisfactory results as could reasonably be expected. A larger number of our youth are now attending high schools and academies than ever before, and we believe there is still room for improvement.

The South Bow schoolhouse has been shingled and a needed fence around the school lot at Bow Mills, in place of the old barbed wire fence. In some instances diseases of children have interfered with attendance, which has otherwise been good.

The following amounts will be required for the coming year:

For text-books and scholars' supplies,	\$125.00
high school tuition,	700.00
general repairs,	100.00
salaries of school board,	80.00
truant officers,	15.00
treasurer,	10.00
clerk,	2.00
moderator,	1.00
auditor,	1.00

Respectfully submitted,

FRANK E. COLBY,
